This is an important herb in Traditional Chinese Medicine and is considered a balancer of the Five Organ Systems and has a synergistic affect on the other herbs in formula.

I know Wal-Mart isn't the best of places to shop, mostly for ethical reasons, but when you're in a pinch you might find a tub of virgin coconut oil.

I suppose I'd tend to agree with that.

of a sensory neuropathy, or a disorder of the sensory nervous system Under Florida's Workers' Compensation.
